TEXT:

WILMINGTON, Del., Nov. 29 /PRNewswire/ -- In the spirit of holiday giving, WingspanBank.com is bringing joy to needy children through the Toys for Tots toy donation program.

Beginning today and running through December 25, WingspanBank.com will facilitate the donation of toys to the Toys for Tots program by hosting a special section on the web site (www.wingspanbank.com) where consumers can donate toys. Toys for Tots will deliver the gifts to underprivileged children nationwide as part of its traditional holiday collection campaign.

"Throughout the holiday season consumers are always looking for ways to help those less fortunate," said Michael Cleary, president, WingspanBank.com. "With just a simple click of a mouse, WingspanBank.com has made it easy for everyone to give back this holiday season."

* The special Toys for Tots section on WingspanBank.com will point consumers to the eToys web site (www.etoys.com/toysfortots) where they can purchase a range of popular toys at 50 percent off the regular retail price. WingspanBank.com customers will receive an additional five percent cash back when they pay for their donation with a WingspanBank.com credit card. The special section will also have a hyperlink to the official Toys for Tots web site (www.toysfortots.org) where shoppers can donate money directly.

For the past 50 years, Toys for Tots has been the U.S. Marine Corps' premier community action program and one of the nation's flagship holiday charitable causes. Toys for Tots has donated more than 200 million toys to 116 million needy children since 1947.

WingspanBank.com (www.wingspanbank.com) is a division of First USA Bank, a subsidiary of Bank One Corporation (NYSE: ONE). WingspanBank.com is the new powerhouse in online personal finance, offering consumers unparalleled freedom and choice in managing their money. WingspanBank.com provides consumers with a wide range of financial products and services brought together at one website, including traditional banking, investment and planning services and objective search tools.
